

Plastic Enclosures

IP66-rated ABS and polycarbonate enclosures are dustproof, waterproof and UV-resistant.

Available in multiple sizes with optional stainless steel latches and locks.

Plastic Enclosures from Elsema

Elsema offers a wide range of durable ABS and polycarbonate enclosures built to withstand tough conditions. The IP66-rated models are fully dustproof, waterproof and UV-resistant, making them ideal for outdoor and industrial use. They protect sensitive electronics from moisture, dust and sunlight while offering options like stainless steel latches for added strength or lightweight plastic hinges with a locking system.

Available in multiple sizes and configurations, these enclosures can be tailored to various needs. Designed for long-lasting performance, Elsema's enclosures deliver reliable, versatile and secure protection across commercial, industrial and residential settings.
