▼ Servicing Tools

Electronics Spanner Set

In our experience finding small spanners for working with electronics is always hard. The hardware stores and auto chains all stock sizes from 6mm upwards, but smaller sizes are usually very common in electronics. These spanners are great for securing a hex standoff when screwing down boards etc.

Sizes included in this set:
Open ends: 10, 9, 8, 7, 6, 5.5, 5, 4, 4.5mm
Ring ends: 11, 10, 9, 8, 7, 6, 5.5, 4.5, 4mm

Price Each	RRP	2+	4+
T 2166	28.75	25.95	23.95

Blow Brush Air Duster

This 62mmØ bulb air duster allows quick removal of dust and debris from inside equipment & keyboards. Supplied with two nozzles - fine point or brush type. Approx ≈130mm long.

Price Each	RRP	2+	4+
T 1480	18.95	18.25	17.25

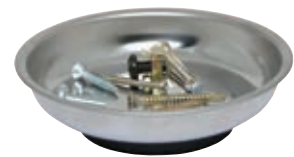

Digital Vernier Calipers

High quality stainless steel calipers for precise measurement between 0-150mm with a resolution of 0.01mm and an accuracy of 0.03mm. Units are selectable between mm, inches or fractions. Caliper can be 'zeroed' at any point in the range. Auto power off function. Requires LR44 button battery.

Price Each	RRP	2+	4+
T 2247A	58.00	52.00	48.00

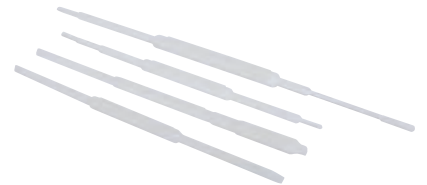

Magnetic Work Bowl

A 100mm stainless steel bowl with magnetic base to keep screws from disappearing during disassembly. Great for parts salvaging and servicing.
